

2016 Antithesis Pinot Noir

As night becomes day, dark fades into light. In this spirit, the Antithesis came into being. From a black grape, Pinot Noir, we made white wine. The Antithesis is Oregon Pinot Noir in a less traditional form. Without skin contact, the wine remains golden. In 2016, the Antithesis was fermented in a stainless steel tank. Extended aging on the lees gives the wine a toasted bread aroma and a full texture. The delicate fruit is reminiscent of fall tree fruits and lemon zest. 16 cases produced. Enjoy!
